

**REMARKS**

Claims 64-68 and 107-125 remain in the application for consideration.

This response is filed merely to list the claims presented for prosecution in this application, and such has been done above. Therefore, the undersigned asserts that the claims are now listed in compliance with 37 C.F.R. § 1.121, as required by the Notice of Non-Compliance dated October 25, 2005. Accordingly, it is requested that this matter be allowed to proceed to prosecution on the merits.

Respectfully submitted,
